## OBJECTIVE

To learn, grow and expand my knowledge of video production with like-minded individuals who strive for perfection. With background ranging from live broadcast to post-production, I hope to secure a career that utilizes my skillset while gaining valuable work experience.

---

## SKILLS

Language: Mandarin, English  
Videography, editing, coloring

---

---

## EXPERIENCE

---

### DAILIES WORKFLOW ASSISTANT | SIM INTERNATIONAL (POST-PRODUCTION)

September 2018 - September 2019

- Assist Dailies workflow producers and supervisors on multiple episodic shows/movies simultaneously.
- Use various software such as **Avid Media Composer**, **Colorfront ExD/OSD** and **Resolve** to ensure quality of deliveries is above expectation.
- Regularly use software such as **Excel**, **Word**, **Asana**, **Guru**, **Aspera** and **Slack** on a daily basis.
- Fulfilled requested VFX Pulls, using provided EDLs, for local VFX vendors on various shows/movies.

### VIDEO EDITOR | WONDERSHARE TECHNOLOGY

July 2018 - September 2018

- Animated and edited multiple projects, using **Adobe Suite**.
- Produced animated videos for local mobile application *Dr.Fone*.

### INTERN | FINALE POST

April 2018

Worked with the Finale Post team, assisting and learning the IO of the post industry as well as how the company process works.

### INTERN | SIM INTERNATIONAL

March 2018

Worked with the Sim Post team archiving media, preparing avid deliverables as well as understanding the synching process within Colorfront ExD.

---
